WILL YOU HELP ME?

HOPE

FOR THE ANIMALS

HELP US HELP THEM

THERE ARE MORE PET ADOPTIONS IN PHOENIX THAN ANYWHERE ELSE IN THE COUNTRY. WE THINK WE KNOW WHY.

The **Phoenix Animal Care Coalition (PACC911)** unites the Arizona pet rescue community with valley-wide adoptathons exclusively showcasing shelter animals ready for loving homes, in different rotating locations convenient to the public. An all volunteer outfit dependent solely on your generosity, raised funds go straight to our **Emergency Medical Fund (EMF)**, making money available to rescue pets in need of medical care and surgery. A unique resource, PACC911 needs your help now to continue with this vital community service. *Here's how you can make a difference to the next pet in need.*
