## The Fix. Adopt. Save. Community Commitment Pledge!

Never before have so many Valley organizations come together to tackle pet homelessness in the Valley. As an individual, you, too, can play an important part in making our community safer, healthier and more humane to the animals that look to all of us for kindness.

We hope that, today, you will take our pledge and help spread the word to your friends and family members letting them know that they can pledge online at [www.FixAdoptSave.org](http://www.FixAdoptSave.org).
