PACC911, in conjunction with O.H.S.O., is hosting this fundraiser to help get more animals adopted from the Maricopa Animal Safe Haven (M.A.S.H.). The funds donated from your evening meal will enable PACC911 partnered rescues to work with MASH and take on these pets to give them the chance they deserve to find their forever loving home.

Present this flier, or tell your server that you are with PACC911, and O.H.S.O. will donate 20% of your total bill to this cause. Bring your friends and family out for a great event to help raise money to save these animals in need.
