HOW YOU MAKE A DIFFERENCE

Our celebration luncheon is not just a fundraiser, it's a lifeline for our Critical Care Medical Program, ensuring that the most vulnerable homeless animals have a "Glimmer of Hope."

Your contribution offers crucial relief, available to 140 pet rescues within our coalition. These rescues depend on our Critical Care fund to alleviate the prohibitive veterinary care costs associated with saving and rehoming injured, neglected and abused homeless animals.

When you become a sponsor or donate an item for our auction, you ensure animals get the second chance at life they deserve. You can provide the necessary lifeline for these animals so they never have to suffer again. Sign up today and save a life!

ABOUT PACC911

Phoenix Animal Care Coalition (DBA PACC911) makes a difference by filling a critical need in the quest to halt the overwhelming pet crisis in our community. Our goal is to end the cycle of injured, neglected and abused animals in Arizona. Our commitment goes beyond traditional approaches as we provide a large safety net of resources to aid homeless pets, support their rescuers, and keep these animals with their families during times of crisis.

By offering a wide array of programs and services, we actively keep pets out of the overburdened system, ensuring they stay in their homes and avoid relinquishment. Together, we're giving these pets the chance to be rehabilitated and rehomed, granting them the rich and fulfilling lives they truly deserve.

WHAT WE DO

PACC911'S CIRCLE OF CARE

CRITICAL CARE PROGRAM

Dedicated medical care funds offset our rescue partners' staggering veterinary expenses that come with rescuing neglected, abused and abandoned animals in their care.

ADOPTATHONS

Homeless pets in the care of our animal welfare groups shine at our large adoption events around the valley.

CHUCK WAGGIN' PET FOOD PANTRY

Low income families and the elderly receive help with food for their pets, assuring that they can stay in their homes rather than be relinquished.

MERCY PAWS

In partnership with Aetna Insurance, ensure respite care and placement for pets of eligible seniors in Mercy Care Facilities, preventing painful relinquishment during times of need.

EDUCATE

People of all ages are influenced about responsible pet care, the humane treatment of animals and why spaying and neutering is critical to tackling the pet overpopulation crisis.

RESCUED TREASURES THRIFT BOUTIQUE

Provides funds for medical care support benefitting our rescue partners through the resale of gently used upscale donations.
